## President's Message

Happy Holidays everyone. The Pioneer Mill trip was a success, with a possible encore in the near future. This coming year should bring us even more creativity and resources, starting with our own January meeting on selling at craft fairs and on Etsy.

Oh and don't forget that we will have our own "craft fair" following the January meeting, so bring in whatever you think your fellow weavers may buy.

It will be great to see everyone in the new year. Meantime, we wish everyone a happy and healthy new year!

Lynn Newcomer

## Membership Report

The membership committee has been very busy this few months. As of our December meeting our membership has reached 39. This is despite losing 12 members since last year due mostly relocations. The 2 most recent relocations from this year's roster are Nancy Baer and Barbara Markovitz. During the same timeframe, however we have also added 12 new members.

Those new members who are not already listed in the Membership Handbook Roster published November, 2017, are:

- Marge Champion ([champmca@comcast.net](mailto:champmca@comcast.net))
- Lorie Harlow ([ljh12301@gmail.com](mailto:ljh12301@gmail.com))
- Cathy Horn, returning member ([chom64@yahoo.com](mailto:chom64@yahoo.com))
- Sandra Jordan ([tfjordan@comcast.net](mailto:tfjordan@comcast.net))
- Jenna Otero ([jlotoero322@yahoo.com](mailto:jlotoero322@yahoo.com))
- Mya Sharizyn ([FireTreasure@gmail.com](mailto:FireTreasure@gmail.com))

Please join me in warmly welcoming all of our new members.

Thank you,  
Ann

Weavers of Orlando is hosting a workshop in February with nationally-known tapestry artist **Tommye Scanlin**.

Tommye Scanlin, renowned tapestry artist from Dahlonaga, GA, is bringing "**Weaving the Days of Your Life**" to Weavers of Orlando in February. Explore the many ways you can use tapestry weaving for a daily practice at the loom. Tommye Scanlin has woven what she calls "tapestry diaries" since 2008. She will share several of her weavings and talk about the thoughts behind them. She will discuss insights she and others continue to gain from the daily practice. **This class is for all levels. It can be done using your tapestry loom, a homemade pipe loom (search "Archie Brennan loom") or a store-bought frame. The subject matter can be as simple as the solar eclipse or something more.** The workshop will begin Saturday, Feb. 17 and finish Monday Feb. 19.

We have some open slots, so please let me know if you would like to participate. I've attached the class information sheet and a copy of the sign-up sheet. The course is estimated at \$150, with a \$75 deposit. Please mail to Ann Redmond, 2018 Program Chair at 2302 Leu Rd, Orlando, FL 32803. Please also acknowledge that Jan. 2, 2018 is the last date to cancel for a refund.

Thanks!

This is a very interesting spinning wheel--made of glass! You've got to see it to believe it!
