President's Message

It was so nice to see everyone again after the summer break. Even more so, in a tea social setting. We met so many "new" faces, though some were not new to the Guild. This was such a warm and welcome opening to the season. Thank you so much for the Tea TEAM!

Even though we weren't meeting formally during the summer, we were actively responding to ideas and inquiries. As a result, we are in for another creative year, with comprehensive Guild programs and Nationally renowned Artists' Workshops. There is no reason to look any further for inspiration!

Along with learning and inspiration, members will be able to exhibit their items for sale at the Reddi Arts Exhibit coming up before the holidays. So come join us for fun and Show and Tell. It was great to see everyone again. We look forward to seeing you October 12th.

Program For October Meeting

Spinning Equipment and Uses for Hand Spun Fiber

Pam Mattis will discuss and demonstrate the different types of spinning equipment including spindles, wheels, and even the chakra. If there is time she will give us ideas on how to use our beautiful and in some cases not so beautiful hand spun yarn.

New Members

Please remember to welcome all new members and make them feel welcome. Ask them to sit with you, etc - it is nice to belong! I believe we will have some new members who were unable to come to the tea.

Welcome Tea

On Saturday, September 14, 2019 approximately 35 members and guests of the guild attended the Welcome Tea held at the Ft. Caroline Community Center. The center was transformed into a grand tea room with white tablecloths and napkins, flowers at each table, a lovely tea table with 4 kinds of tea in charming teapots and a beautiful collection of china teacups and saucers. In addition there were two tables laden with scones, butter, whipped cream, four kinds of tea sandwiches, fruit trays, cookies and shortbread, and scrumptious chocolates.

Many, many thanks to everyone who joined into help make it a special event. It was truly a group effort! Special thanks to:

Tracy Pagendarm for helping to compile the invite list

Kay Taylor for designing and sending out the invitations

Gail Woodcum for writing up the menu, tea sandwiches, and organizing the set up of tables

(Also thanks to Ken- her husband- who did all the moving and lifting)

Mary Jamerson for contacting members to bring food to round out the menu

Gail Karson for lending all the tablecloths, napkins, teapots, sugar and creamers, and the three tiered serving dishes

Debra Grady for bringing her lovely collection of 40 plus China teacups and saucers

What a great group we have!

Again, Thank you!

Pricing Guidelines for Reddi Arts Show/Sell, November 2019

Rudell Kopp, Pauletta Berger, Donna Morris

Pauletta's thoughts based on her experience, mostly with warps not hand-dyed/painted:

Scarf - short -- \$50 - \$75
Scarf - long -- \$95 - \$125
Shawl -- \$150 - \$250
Baby Blankets -- \$125 - \$150
Placemats -- \$40 set of 2, all cotton
Table Runners, 14" x 36" -- \$45
Rag Rugs, 20" x 36" \$75 - \$100

Rudell's thoughts based on her experience, mostly with hand-dyed/painted warps & with tencel or bamboo fibers:

Short Moebius Scarves, 8-10"w. x 30-36" long:
dyed warp/tencel or silk \$55 - \$75;
cotton simpler design \$45 - \$65
Long Infinity Scarves, 8-12"w. x 60-70" long:
dyed warp/tencel or silk \$95 - \$110;
cotton simpler design \$75 - \$95
Long Scarf w/ fringe or hemmed, 8-12"w. x 72-80" long:
dyed warp/tencel or silk \$110 - \$130;
cotton simpler design \$95 - \$110
Shawl, 18-24"w. x 80-100" long depending on if hand-dyed warp,
fiber content & complexity of design \$150 - \$250
Ruana, 22+/-" w. x 4 yards of woven fabric, depending on
hand-dyed warps, fiber content & complexity of design \$250 - \$350
V-Shawl, approx. same amount of woven fabric as a ruana,
depending on hand-dyed warps, fiber content & complexity \$200 - \$300

Small hand towel, 18" x 32" finished, depending on
hand-dyed warps, fiber content & complexity of design \$25 - \$40
Large towel, various sizes, same criteria as above \$40 - \$60
Placemats (set of 2), same criteria as above \$50 - \$75
Table Runner, same criteria as above,
depending on width & length \$75 - \$100+/-
(Pauletta suggested for undyed cotton approx. \$1.50/inch)

Bags/Purses, same criteria as above, various sizes & styles, \$25 - \$80

Donna agreed with the above from her experience.

*These are basic prices with the understanding that certain fibers, hand painted warps, hand dyed fibers, techniques & patterns can cause an increase in total cost

* We all thought that maybe adding 10-20% to the above prices would help since the gallery will keep 40% of the sale price for themselves. Also, having information about the process of hand weaving, sometimes one-of-a-kind when using hand-dyed warps, would be helpful to educate the viewers/buyers.
